PETITION FOR RULE MAKING

Pursuant to 47 C.F.R. 1.401, Charles Crawford respectfully petitions the FCC to institute a Rule Making proceeding to amend the FM Table of Allotments to add Channel 236A at El Indio, Texas.

DISCUSSION

Petitioner respectfully submits that the public interest would be served by allocating Channel 236A to El Indio, Texas as that community's first local FM service. El Indio, Texas is a Census Designated Place (CDC) with a population of 263 people.<sup>1</sup> El Indio has its own post office, its own zip code, a community center and a number of businesses. The water for El Indio is provided by the El Indio Water Supply Corporation. El Indio has a number of local churches including the Latin Assembly of God Church, Reverend Arturo Reyes, the Jehovah Witnesses and the Seventh-Day Adventist Iglesia Adventista del Septimo Dia, Pastor Jacinto Flores. According to the 2000 Census demographic characteristics for El Indio, 97% of the population is Hispanic. El Indio is a community that is certainly deserving of local FM service. The proposed channel 236A will provide additional diversity and an outlet for local self-expression to El Indio residents and therefore is in the public interest.

The factual information provided in this Petition for Rule Making is correct and true to the best of my knowledge.

Respectfully submitted,
